Excel Travel Profile

Our Company

Excel Travel is the result of 50 years of experience within the Travel Industry between its President and Vice President in the fields of Corporate Travel, leisure travel, Meetings, Conferences, Incentives & Exhibitions – simply it is a one Supplier one Solution approach. Among its shareholders are leading Egyptian Investors in Egypt and the region. In our second year of operation, our annual Turnover exceeded 20 million USD and we are ranked among the top five Travel Management Companies in Egypt.

Technology

A new industrial revolution is underway with the growth of the e-commerce environment. Businesses will change more in the next few years than they have in the previous 50 years with e-procurement playing a vital part in purchasing everything. Excel Travel have invested heavily in order to furnish our servicing platforms with state of the art software that would enhance all our processes to deliver best service to our clients, produce sophisticated Management Information Reports, automate the communication processes and is currently offering airline & hotel bookings for business or leisure travelers through its website www.exceltrvl.com.

Our People

At Excel Travel we have worked carefully to select the right, highly trained personnel to properly manage your business. We are aiming at establishing continuous training programs to enhance the existing expertise. Our current headcount exceeds 90 employees.
